Coverage for: Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms

of coverage, https://eoc.anthem.com/eocdps/aso. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call (866) 510-4736 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$600/individual or \$1,200/family for In-Network Providers. \$1,200/individual or \$2,400/family for Out-of- Network Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> for In- <u>Network Providers</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$3,000/individual or \$6,000/family for In-Network Providers. \$6,000/individual or \$12,000/family for Out-of- Network Providers.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Services deemed not medically necessary by Medical Management and/or Anthem, Premiums, balance-billing charges, and health care this plan doesn't cover. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits. The cost of these drugs (though	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

	reimbursed by the manufacturer at no cost to you) will not be applied towards satisfying your out-of-pocket maximums.	
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes, Blue Card PPO. See www.anthem.com or call (866) 510-4736 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
