* Savings based on a 2018 survey of national average retail hearing aid prices compared to average TruHearing pricing.

† Smartphone-compatible hearing aids connect directly to iPhone®, iPad®, and iPod® Touch devices. Connectivity also available to many Android® phones with use of an accessory.

VSP is providing information to its members, but does not offer or provide any discount hearing program. The relationship between VSP and TruHearing is that of independent contractors. VSP makes no endorsement, representations or warranties regarding any products or services offered by TruHearing, a third-party vendor. The vendor is solely responsible for the products or services offered by them. If you have any questions regarding the services offered here, you should contact the vendor directly.

TruHearing offers individuals the opportunity to purchase hearing aids at discounted prices, including individuals covered by self-funded health plans not subject to state insurance or health plan regulations. TruHearing is not insurance and not subject to state insurance regulations. TruHearing provides discounts to certain health care groups for hearing aid sales and services; TruHearing provides fitting, programming and three adjustment visits at no cost; the member is obligated to pay for testing, and all post-fitting hearing care services, but will receive a discount from those health care providers who have contracted with TruHearing. Not available directly from VSP in the state of Washington and California.
